Vanessa Fung-Kee-Fung

has successfully completed the online Specialization

Health Informatics

In this Specialization, learners explored the social and technical context of health informatics problems, discovered how to successfully implement health informatics interventions, designed a health informatics solution for decision support, and answered a health informatics problem through data retrieval and analysis.

Harold Lehmann, M.D.,
Ph.D.

Ashwini Davison, M.D.

Hadi Kharrazi, M.D.,
Ph.D.

Paul Nagy, Ph.D.

Sam Meiselman

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
